RE: Bowers, Christopher Daniel
Docket No.: 2:12CR02078-001

Status Report/Modification Request

Your Honor:

Mr. Bowers was released onto pretrial supervision on October 18, 2012. As a part of his release conditions Mr. Bowers was ordered to remain on GPS home detention and to date has not incurred any significant violations of his GPS requirements. Mr. Bowers has provided random urine samples, which have all returned negative for use of illegal controlled substances. In addition, Mr. Bowers completed treatment services, specifically Moral Recognition Therapy on March 28, 2013, and continues to attend self help meetings.

Mr. Bowers entered a change of plea on April 15, 2013, and is scheduled for sentencing before Your Honor on August 1, 2013.

This officer contacted Allison Gregoire, Assistant United States Attorney, regarding this request. Ms. Gregoire does not support the modification.
